WINERIES • VINEYARDS • ORCHARDS

Unirake

This unique long handled rake was designed to move grapes faster and more efficiently.

Unifork

Designed specifically for moving grapes, must & pomace – won't scratch stainless steel tanks.

Hygienic Sieve Fork

The Hygienic Sieve Fork is for the straining and lifting of solids from liquids.

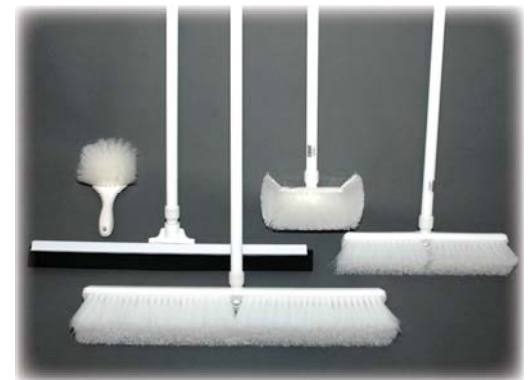

Hygiene Shovel

The Solid One-Piece Hygiene Shovel is ideal for shoveling grapes and pomace.

Hygienic Mixing Paddle

Paddle is ideal for stirring liquids – can also be used as a scraper.

Hygiene Brushes and Squeegees

Pictured are Tank & Vat Brush, Squeegee, Floor Sweep, Floor/Wall Scrub and Hand Brush.
